

PROP Newsletter - Painted Rock Organization of Parents

Greetings! August and September flew by! Thank you all for participating in the PROP events we had in both August and September! Lockdown letters were sent home with all the students; however many do not have a letter/ family photo from home. Please send in a letter and a family photo to your child's teacher in case of a lockdown. This year each classroom has a kit but in case of an emergency, special notes and a picture can help ease a child's anxiety. For more information regarding contact information of the Governing Council, our volunteer form or upcoming events please check out the PROP section on the PRA website at <http://paintedrockacademy/index.php/parents>.
