# ROCK A DEMY Hawk News

### From the Principal's Desk

### Mr. Hoffman, Principal

Dear PRA Families,

We have almost completed another amazing year here at Painted Rock Academy! There is still much more work to be done while students finish up their end-of-year projects, final presentations, and learning as much as possible before we head out for summer break.

While the students are focused on academic grades and teachers are focused on helping those kids be as successful as they can, we also owe a large part of the success to you, the parents. We know you have choices for your children's education needs, and I want to personally thank you for investing in Painted Rock Academy. Your commitment to your child's future should be commended, as well as the time you put into making sure they get to school on time every day, picking them up, and participating in various activities.

Parents are the lifeblood of Painted Rock Academy, and we want to reward your trust in us by providing your children with the best education available to them. We are deeply committed to each and every student's success. Here at Painted Rock Academy, we know that the success of the students determines the success of our prestigious school. Thank you again for helping us in our success. Working together we can continue the development of those inquisitive minds. The summer break is a time to continue to expand your child's educational investment and make sure they're doing their weekly reading, writing, and math. These are the exercises that make sure your child is prepared for the new school year.

Speaking of the new school year, we hope to see even more parents on campus, volunteering in the classrooms and becoming part of our after-school events. We are working hard on building our community, and parents are one of the most important pieces of the building blocks. We appreciate your support and commitment to a thriving and productive educational environment.

I hope you have a wonderful summer vacation with your children, making those precious family memories that keep us all sustained.

Thank you very much,

Mr. Daniel Hoffman

### **Boys Basketball Champions**

PRA Boys got off to a rough start with two back-to-back losses, but they managed to pull together to win the rest of the season's games. This put them as the #3 seed in the playoffs, and they battled to become champions.
