Hawk News

From the Principal's Desk

Dear Hawk Families,

To quote the renowned Greek fabulist, Aesop, "*Gratitude turns what we have into enough.*" Looking around in each classroom, I am grateful for each wonderful family who is involved in our school, and I am proud of the accomplishments of our staff and teachers. Thank you for being the best support for your children and their teachers.

So far this year, PROP has supported our school by offering Caught Being Good rewards during lunches and has distributed nearly 100 ice creams for those who earned Honor Roll during the first semester. PROP also brought together volunteers to ensure Picture Day operated smoothly. Thank you to all the families who have additionally helped their children's teachers and poured additional resources into any classroom needs.

We will continue through this school year with high expectations and diligence towards the goal of providing excellent education. If you have additional children or friends who would like to become part of the Painted Rock Family, you will find more information about Open Enrollment on the following page.

Thank you,

Mrs. Harper, M. Ed., Principal

Sock-Toe-Ber was a phenomenal success! With over 3,600 pairs of socks gathered, we are able to give to Phoenix Children's Hospital, Maggie's Place, and The Honey Foundation to benefit children in need.

The classes in 2nd grade and Kindergarten will enjoy a celebratory lunch with the administrators. Thank you for generously giving!
