Celebrating a Decade of Excellence - Providing a Traditional Foundation for the Future **From the Principal's Desk**

Hello, Hawk Families,

I am extremely proud of the diligence our students are applying to their learning this year! Teachers have completed benchmark tests to determine what content students have mastered in order to focus and enhance their academic experience.

This month, you will be given an opportunity to have a one-on-one conference with your child's teacher to discuss highlights and goals for this year. More information for scheduling your conference will be released soon. Please take time today to consider what is most important for your 15-20 minute conference. Recognize where your child is excelling and address any concerns that are brought up by your child's teacher. Keep in mind that every minute counts; being on time for your conference means valuable time to reach goals.

Thank you for partnering with us for your child's continued success!

Mrs. Harper, M. Ed., Principal

Uniform reminder: All students should be well groomed and neat in appearance. All clothing should fit well and be in good repair. Outerwear for in the classroom may be a plain, non-hooded sweatshirt, sweater, or windbreaker in solid white, navy blue, hunter green, or light blue. Other outwear without logos or designs may be worn outside. A complete description of the dress standard can be found in your child's planner and on our website [here](#).

Health Office Updates

My name is Ms. Cutting, RN, and I am PRA's School Nurse. I just moved to Arizona over the summer from Louisville, Kentucky, where I was born and raised. I graduated in my hometown from Bellarmine University with a Bachelor of Science in Nursing. I have an English Bulldog named Clyde and a Quarter Horse named Churro. I love horseback riding, traveling to other countries, oil painting, volunteering, and cooking!

Friendly Reminders:

Immunizations are due to the Health Office by Sunday, October 31st. Parents/Guardians are more than welcome to email copies or drop off original copies to my office. I am still in the process of emailing parents whose child(ren) are delinquent in their immunizations.

Please do not send your child to school if they are:

- not feeling well
- running a fever
- have any symptom(s) of COVID-19
- have been exposed to someone who tested positive for COVID-19
- have been exposed to someone who is suspected of being infected with COVID-19

Thank you for keeping our school safe and healthy! Ms. Cutting, RN

Sock-toe-ber

It's fun sock Friday this month as we race to collect new socks to benefit our community! Collections of children's size socks will take place October 4th through October 29th in each classroom. Students can wear colorful, cozy socks with their uniform shoes each Friday in October beginning October 8th.

Administrators kicked off their shoes as an example for fun sock Fridays during classroom assembly.

In a decade...

Painted Rock's first class of kindergarteners promoted from 8th grade last year! It has been a privilege to watch these students grow, and we are excited to celebrate with future classes.

Lunch orders must be processed before 8:00 A.M. for same day meals through Boonli platform.
