

*Celebrating Our Next Decade of Excellence - Providing a Traditional Foundation for the Future*  
**From the Principal's Desk**

Hello, Hawk Families,

Wow, I can't believe we are already in October and wrapping up the first quarter. I am extremely proud of the diligence our students are applying to their learning this year! Teachers have completed benchmark tests to determine what content students have mastered in order to focus and enhance their academic experience.

This month, you will be given an opportunity to have a one-on-one conference with your child's teacher to discuss highlights and goals for this year. Please take time today to consider what is most important for your conference. Recognize where your child is excelling and address any concerns that are brought up by your child's teacher. Keep in mind that every minute counts; being on time for your conference means valuable time to reach goals.

Be on the lookout for PROP activities and opportunities. Our wonderful PROP volunteers are making it possible to add additional activities and opportunities for our Painted Rock students.

Thank you for partnering with us for your child's continued success!

Mr. Hoffman, Principal

Mark your calendar and bring your best smile in school uniform. Cherish the memories of this year, with prints of your child's photograph. Order [online](#) using code: 69012GF. Don't forget you can also order your family custom gifts.

Uniform reminder: All students should be well groomed and neat in appearance. All clothing should fit well and be in good repair. Outerwear for in the classroom may be a plain, non-hooded sweatshirt, sweater, or windbreaker in solid white, navy blue, hunter green, or light blue. Other outerwear without logos or designs may be worn outside. A complete description of the dress standard can be found in your child's planner and on our website [here](#).

First grade studied each step plants go through when growing, then planted their own flowers. The students had their own plants to take care of, remarking how much the plants had grown! Pictured above is Mrs. Kamble's class.
