The Boulder Club

The Boulder Club is a before and after school program at Reid Traditional Schools' Painted Rock Academy. It is a study hall for Painted Rock Academy students in Kindergarten through 8th grade. Boulder Club provides a time and place for doing homework with the help of someone to answer questions, and it provides activities for those who finish their work early. Parents are relieved to know that their children have a safe, supportive, and fun place to work on their homework.

The Boulder Club will follow Painted Rock Academy's yearly calendar and will maintain the same breaks. The program is located in the Multi-Purpose Room. Student drop off and pick up should take place through the south doors of the MPR, accessed through the basketball court gate at the southwest corner of campus.

Services Not Provided

Painted Rock Academy does not provide transportation, programs for special needs, field trips, or activities that require parental responsibility or participation.

Daily Sign In and Sign Out Policy

Only individuals listed on the enrollment forms will be allowed to pick up students from the Boulder Club. In the event your child needs to be picked up by someone not listed on your emergency card, you must phone the school and proper identification must be presented before the release of the child.

Your child or a staff member will sign in your child daily.

1. When picking up your child at the end of the day, please enter the MPR through the south doors, which are locked after school for our students' security. **A staff member will check your placard, PRA ID badge, or government-issued photo ID before allowing access to the building.**
2. To sign out your child(ren), enter your computer code and select the student(s) you are picking up. If you forget your code, you can easily have it sent immediately to your cell phone. Your code is unique and should not be shared with anyone.
3. Complete the checkout by signing your name. Signatures must be clear and legible with first initial and last name. Please have a copy of your driver's license with you for verification.
4. Please instruct anyone picking up for you that this process is extremely important for your child's safety. Those who pick up for you regularly should have their own computer code or show ID; **no one but you should use your code.**
5. Students who are not properly signed out will be charged for a full evening of service.

Homework is our main priority!

Your child will be asked to do homework and work on classroom assignments quietly from 3:50 to 4:20. If your child finishes work before then, he or she may quietly read or use electronic devices. Please make sure your child always has a reading book.

There is a separate area for working students. Students should come prepared with all supplies needed in order to complete their homework and/or school projects, including pencils, in their backpacks. Boulder Club staff members are available to help students with their homework, without doing it for them. Students also learn how to help each other, without giving away the answers.

Electronics

Personal electronics will be allowed in Boulder Club. During homework time (3:50-4:20), electronics will be allowed only for music with the use of headphones. No sound is allowed to be projected from the device. If an electronic device causes a problem, the student will be asked to put it away. If issues continue, the device will be taken by staff and returned to the guardian who picks up the student.

Boulder Club Game Area

Boulder Club students are only allowed in the game area when their schoolwork has been completed and checked. Boulder Club offers a variety of educational games. Students may play different types of games including board games, card games, and brain teasers. Students must check the games out and back in using a system much like in the library. Donations of new and gently-used games are gratefully accepted through the front office, at any time.

Food and Beverages

Students are encouraged to bring food and beverages to the Boulder Club; however, they are not allowed to share their food with anyone else. Students are asked to clean up after themselves and must place food trash in the garbage bin with the lid. Boulder Club does not provide food.

Discipline Policy

The Boulder Club staff members use a systematic, assertive discipline plan that is posted and reviewed with students. Consistency is important. The overall plan establishes firm and consistent limits for students with loving guidance. The program also establishes a positive educational environment for both student and staff. Every effort is made to develop positive reinforcements that can be applied to individual students as well as to the group. If a student's behavior continues to disrupt or interfere with the objectives of the Boulder Club, the student's enrollment may be terminated.

Emergency and Medication Policy

*Parents must immediately inform the school office **and the Boulder Club** when there are changes in address, home phone, business phone, or emergency phone numbers.*

Medications will not be administered in the Boulder Club. In case of illness, a parent will be contacted to come pick up the child within a reasonable time frame. When a parent cannot be reached, the secondary contact person from the enrollment information will be contacted. In case of fire, accident, evacuation, or other school emergency, Painted Rock Academy will follow procedures appropriate for the circumstances and authorities will be called upon for assistance.

Fire Drill and Evacuation

Every month a fire drill will be conducted during the school day, before care, and after care. The children will practice proper procedure for lining up, where to evacuate away from the building, and the importance of following instructions, remaining quiet and calm, and remaining with the group.

Use of Pesticides

Pursuant to A.R.S. 15-152, the use of pesticides on school property will be governed by the following procedure: Students will receive at least forty-eight (48) hours' notice in advance of the general application of pesticides to the Painted Rock Academy campus, which is in the form of posted signs. Signs will be at least 8.5 inches by 11 inches in size and posted at the main entrance doors of the administration building.
