PROP Christmas Party was canceled for December 16th; Reindeer Run will be happening that same day.

ATHLETICS- OPEN

Reindeer Run was discussed whether or not to have a "Race" or "Fun Run". Mr. Hoffman suggested that the PE Teacher holds the preliminary run in classes to determine the top 3 girls & boys in each class. Someone else suggested holding the race in the beginning and then a fun run at the end where all students participate. More details were discussed and it was decided to follow both of those suggestions: have "heats" in PE; hold a few short races for the winners in each class, followed by a "Celebratory Run" where all students run a few laps. Elizabeth to work on schedule (no Pre-K in early morning) & music. Discussed having 8th grade help or letting them run their own race. Will reach out to teachers. Felicia volunteered to make a flier, including info for the 8th grade chocolate fundraiser & photo booth.
