Honor Roll students receive ice cream sundaes from Miss McMillan and Mr. Bauer.

From the Principal's Desk

Dear Parents/Guardians,

We have completed the first quarter of the 2014-2015 school year. With three quarters to go, I would like suggest a few things that I hope you will find beneficial in making the rest of the school year a success.

Students who are present for school are more inclined to take school commitments seriously. They respect others' time and needs. As a result, they do better in school. When a student is absent, he/she loses valuable academic time and instruction. Your cooperation in having your child at school on time is greatly appreciated.

Completing and turning in homework on time is another valuable trait you can help us teach your children. The homework not only helps them academically by reinforcing the skills they were taught that day, but it also

helps them learn responsibility. Completing their work on time is their responsibility. You can help your children succeed by setting a time and place for them to do their homework. Showing your children that you are interested in their education by making sure their work is complete and requesting they show it to you, increases their desire to perform at a higher level. Too many students are choosing Opportunity Club daily, and it is easily avoidable by merely fulfilling their responsibility. Homework is given to enhance their education and is not a punishment for you or your children. It also helps create a partnership between home and school.

Painted Rock Academy is committed to providing your children with the best education possible and we cannot do that without you. We know with your help this will be a wonderful and successful year.

Once again thank you in advance for your support, and for choosing Painted Rock Academy for your child's education needs.

Sincerely,

Miss McMillan, Principal

PAINTED
ROCK
ACADEMY

Painted Rock Academy's **Science Club** has launched! They meet twice a month and so far they have constructed and launched bottle rockets to observe and apply the principles of velocity.

Fifth Grade spent a day at the Halle Heart Children's Museum this month. They have been studying the human body in great depth recently, and they had the opportunity to explore the cardiovascular system extensively through this educational and interactive adventure!

Congratulations to our Hawks athletes. Our Flag Football and Girls' Volleyball teams have finished up their regular seasons and are pumped to begin the playoff tournaments!
GO HAWKS!

Thanks to our cheerleaders who work so hard to root on our teams! Thank you for your spirit and support!

The waiting list for the 2015-2016 school year opens today, Monday, November 3rd. If you have another child you would like to attend Painted Rock Academy, please fill out a waiting list application available [here](#). Students who are **already attending** Painted Rock Academy **do not need** to fill out an online application. If you have friends who are interested in attending Painted Rock Academy, please let them know that November 3rd through the 16th is the best time to fill out a waiting list application.

Thank you,

Martha Williams
