Preschool Gets a Makeover

We are very excited about some parent-friendly changes coming to our preschool. For the 2017-18 school year, PRA's preschool will now offer full-day as well as half-day services. School start time will be 8:30 A.M. for both programs. Half-day program sessions will end at 11:30 A.M., while full-day ends at 3:30 P.M.

We are also offering before and after school care for our preschool students, beginning at 6:30 A.M. before school, and ending at 6:15 after school. School start time will be 8:30 A.M., and parents may begin dropping students off, free of charge, at 8:00 A.M.

In addition, the preschool patio area is currently undergoing an amazing renovation. Already under construction, the patio area will have a new sandbox, complete with folding benches to cover the sand when not in use. Three colorful picnic tables have been added, and we will be painting hopscotch, four-square, and a "race track" for tricycles. Down the road, we will add garden planters along the wall, where our students will be able to learn about the science of plant life.

Enrollment is now open for the 2017-18 preschool year. To apply for enrollment, visit PaintedRockAcademy.com and follow the "Enrollment" link right below the school logo. Thank you for choosing Painted Rock Academy.

Basketball

Our boys' and girls' basketball teams played well and had a fantastic season. The boys took home the 2nd place trophy for the season. The girls took home the 1st place championship trophy and were undefeated this year. We are so proud of our Painted Rock Academy athletes.

Yearbook sales are over! If you would like to be placed on the WAITING LIST please email Mrs. Magid

Music Concert

We had an amazing Spring Music Concert in March. The students worked really hard to learn their songs, and Ms. Illsley's hard work showed. It was an entertaining evening outside.

3rd grade went on a field trip to the Challenger Space Museum. They learned a lot and really enjoyed it.

On Tuesday, April 18th, Painted Rock Academy will host its first Read-In. Members of the community have been invited to read to our students and will tell them how reading is important to their job.
