

PROP Newsletter- Painted Rock Academy Organization of Parents

Welcome to the 2014-2015 School Year!

Welcome to
New &
Returning
Parents!

Greetings from the PROP Executive Governing Council. This year we have many new and exciting events coming up. We are looking forward to keeping you updated on how you can help make our school community grow stronger. Being a traditional school, Painted Rock is highly focused on academics. PROP functions as a group consisting of parents who organize and assist the school with needs along with providing a fun outlet for our families. This includes Festivals, Book Fairs, Family Events, and Community Drives. We have 12 different committees and are always looking for volunteers to lead and help assist with making all of the events happen!

Please check out our website by clicking on the link <http://paintedrockacademy.com/index.php/parents> or going to paintedrockacademy.com and clicking on the PROP category. Here you will find our volunteer form, along with many other useful items. We look forward to any contribution. Thank you and GO HAWKS!
