Within in the meeting it was discussed Scholastic Book Fair being Oct 5-9th, and it was decided upon the group on Board, Officers and Parents to have two family nights in accordance with the fair.

We had a rough discussion on Family Night events but nothing was decided upon. Peter Piper Pizza will sponsor the pizza and possible the Teacher can serve the students.

Car Pooling was discussed and we had Board Member Mary Ann Tenold take charge of getting that off the ground with a system she had used in the past. An update of this launch is expected to be given to President Lisa Cobb by week end of 09/12/12.

It was announced that we do have a Picture Day scheduled for October 9th.

Volunteer for the Committees signed up and will be announced in the next meeting and a possibility to add new volunteers to the committee.

The room was open to suggestions and parents and there was suggestion of Bumper Stickers and a Uniform Drive at the middle and end of the year for gently worn items.

No more items were brought to Officers of Board's attention.

Meeting was adjourned by President Lisa Cobb at 7:28 p.m
