What is PROP?

PROP stands for the Painted Rock Organization of Parents. Our purpose is to enhance the education of children attending Painted Rock Academy by acting in a support capacity to the school administration. We exist to increase and facilitate communication between parents and the school, provide a forum for discussion for school-related issues, and maintain a network for parental participation.

A Note from the PROP President:

COVID-19 has caused big changes this year- not only to school, but PROP as well. This time of year, we are normally wrapping up our annual Fun Run and looking forward to Fall Festival, an in-person Book Fair, and the Turkey Trot. Unfortunately, all of these had to be cancelled for the safety of staff, students, and their families.

We are doing what we can, such as the ONLINE Book Fair mentioned above. We had a successful fundraiser at Bruster's Ice Cream, and we had an overwhelming response to our Staff Appreciation breakfast. We are discussing & brainstorming how we can do other things differently this year. If you would like to be part of this discussion, we would love your input! Here are a few options:

- Visit <https://paintedrockacademy.com/prop/volunteer-registration/> to get your email in our database
- Email volunteerprop@gmail.com or propazpresident@gmail.com to ask questions, give suggestions, or get more information on PROP
- Follow us on Facebook (link at the top)
- Join our monthly Zoom PROP Meetings (link at the top)
- Watch for school emails with PROP-related volunteer opportunities

Thank you all for your support and patience as we try to navigate our way through this year!

~Elizabeth Brown, PROP President
