

## From the Principal's office

Dear Hawk Families,

I am honored to share that recently, 38 students were inducted into their respective chapters of the National Elementary Honor Society (NEHS) and the National Junior Honor Society (NJHS). These organizations recognize students who excel academically and demonstrate extraordinary responsibility. Each student will develop leadership skills through public service projects, promote a positive school climate, and motivate their peers. We are extremely proud of our NEHS and NJHS students!

Arizona state testing for students in 3rd through 8th grade will take place the week of April 4th. Please note that this is scheduled a week after what was originally set in our calendar. It is important to plan appointments and special events around these critical school days as these tests are important indicators of student achievement. Thank you for your cooperation.

We have teamed up with the Arizona Diamondbacks to promote perfect attendance in February. Students who are present each day in February will be given a certificate redeemable for one (1) ticket to a home game.

Mrs. Harper, M. Ed.

### Intent to Return E-Forms

A simple E-Form has been posted to your Parent Portal for each of your children in Kindergarten through 7<sup>th</sup> grade to confirm that they will return to Painted Rock Academy for the upcoming school year.

If you are the primary parent on the account, please [log in](#) and complete the form(s) prior to February 18<sup>th</sup> to secure your child's seat for the 2022-2023 class. If your academic choice is not Painted Rock Academy, you may indicate this decision on the same E-Form.

If you have additional questions, you may contact the Front Office at 623-466-8855.

**Be Sweet Fun Run Fundraiser  
Now through February 24<sup>th</sup>**

Our goal is to encourage our students to build on healthy habits and reinforce being kind and “sweet” to others, while having fun raising money for our school. The funds will go toward playground upgrades. Teachers will also earn a percentage to go toward their classrooms. Be a part of reaching our total goal of \$25,000.

To get started, register your parent hub [here](#), and use our school identifier: 5d2f405118fa1  
We hope families will enjoy this opportunity to get their kids moving!

After school sports have been an integral part of student wellness. Current basketball teams continue to practice and play games, increasing skill each time. Girls' intermural volleyball is starting for 5<sup>th</sup>-8<sup>th</sup> graders.

Are you interested in making a difference and getting involved? Contact our Athletics Director, Mrs. Mayes, if you're interested in coaching track and field this spring.

**In the classrooms**

First grade students utilized math skills to create art work for the 100th day of school.

Middle school students explored the science of Non Newtonian substances in their lab.

**Parent / Teacher Conferences**

Every time you attend a parent/teacher conference, you get involved in your child's education and strengthen the bond with your child's teacher. Taking the following steps will ensure you and your child get the most out of the conference.

- > Review Assignments: Are there goals your child has met? It might be time to set new goals. Write down your concerns.
- > If attending virtually, confirm information and expected screen name.
- > Remember, this is a brief conference. Follow-up sessions may be available upon request.

**Be Sweet Fun Run Schedule**
